

# NOTICE

## BLUE-GREEN ALGAE POSSIBLE

Algae blooms that may release toxins can occur in this area. If observed:

- Avoid skin contact.
- Do not ingest.
- Keep pets/livestock away.
- Do not eat internal organs of fish caught when blooms are visible or suspected.

To report an active bloom:

1-800-268-6060

TTY: 1-855-889-5775
